

SOLTICE COLLECTION ... FOR HEALTHCARE ENVIRONMENTS WITH A HUMAN TOUCH

Introducing a new genre of healthcare furnishings. Sophisticated, classic lines softened by feminine sensibility ... simple, natural with a human touch.

DESIGNED BY DANIEL CRAMER AND PAUL JAMES

Create environments that are comfortable rather than clinical. Each patient-centered, family-oriented element evokes a warm, residential feel.

Available in 16 wood stains and a wide range of Pallas® Textiles, including Crypton® and GORE™ seating protection products, or COM.
